

Silicone Tape

Releasing Liners

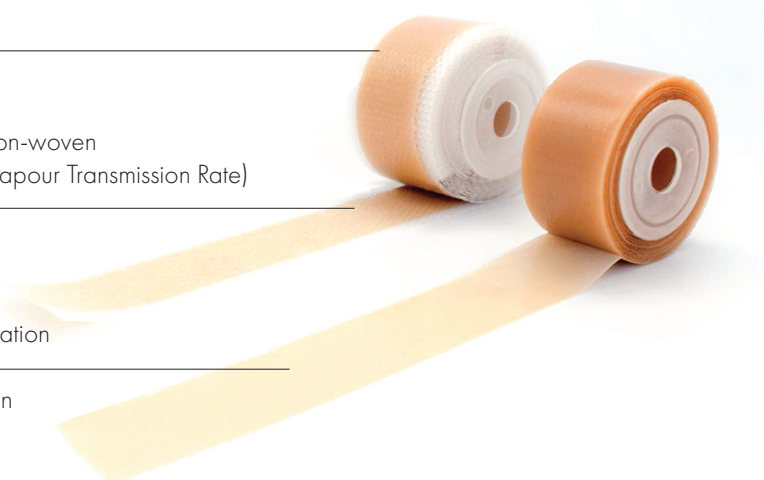

- ▶ Easy peel-off

Protective Backing

- ▶ Polyurethane film and non-woven
- ▶ High MVTR (Moisture Vapour Transmission Rate)
- ▶ Breathable
- ▶ Waterproof

Silicone layer

- ▶ Gentle and easy application
- ▶ No gel residue
- ▶ No loss of adherence on repeated applications

Made from 100% soft silicone allowing easy application, adjustment and removal. It has good adhesive action, yet is gentle and excellent for sensitive and fragile skin.

- Easy to apply and remove
- Soft, comfortable and non-irritating
- Friendly to sensitive and fragile skin
- Minimises pain and trauma on removal
- Cost effective as can be repeatedly used
- Can be used in conjunction with other dressings, but should NOT be used in open wounds
