

 SunTech[®] **Vet20[™]**
BP MONITOR

Spot-Check Blood Pressure Monitor
for Companion Animals

SunTech Vet20

The portable SunTech® Vet20™ quickly and easily provides reliable blood pressure (BP) measurements on awake companion animals, ensuring a simpler assessment process for veterinarians and their staff members. Utilizing SunTech's trusted Advantage™ VET BP technology, the Vet20 quietly performs motion-tolerant, oscillometric BP measurements, delivering accurate results. The intuitive touch screen interface includes all of the necessary features for reviewing and analyzing BP data. Alarms can be silenced to avoid frightening the animal and saved measurement data is always retained when the device is powered off.

Standard Features

- Reliable:** As a result of SunTech's motion-tolerant technology, the Vet20 has a high success rate for BP readings.
- Simple to Use:** Intuitive, touch screen interface has all necessary features for reviewing and analyzing BP data.
- Accurate:** BP algorithm was specifically developed for companion animals by experts at a leading vet school.
- Silent:** Device quietly measures BP and alarms may be silenced to avoid frightening the animal.
- Fast:** Take multiple measurements in a matter of minutes!
- Portable:** Battery-powered device can be easily moved between exam rooms.
- Memory:** The Vet20's advanced memory ensures data is always retained when the device is powered off.
- Averaging:** Users can select specific measurements from the device memory and perform automated BP averaging.

Heart Rate:	25 to 300 BPM
Device Weight:	1.3 lbs (with battery), 590 grams (with battery)
Dimensions:	6.25" x 5" x 5.25", 15.9 cm x 12.7 cm x 13.3 cm
Warranty:	2 years on monitor 90 days on cuffs/hose

Accessories

SunTech Vet20 Armour

The removable protective armour is available in 3 colors and features a convenient handle.

Flamingo Pink

Peacock Blue

Tree Frog Green

AC Adapter

While the portability of the battery-powered Vet20 is convenient, the AC Adapter accessory is a great power option when your Vet20 stays in one place. The A/C Adapter may be used with any SunTech Vet20 BP monitor and includes 4 plug configurations to meet most international power requirements.

SunTech Veterinary Cuffs

Soft materials and rounded corners provide a gentle cuff solution. SunTech Medical BP cuffs are color-coded for quick size selection and range indicators ensure accurate cuff sizing and fit. Included with the Vet20 BP device are cuffs size 1–6.

SunTech Vet BP cuffs can be used with other veterinary BP monitors! Ask about our SunTech Vet Cuff Conversion Kit.

With more than 30 years dedicated to developing our world-class blood pressure technology, we are confident that we don't miss a beat - so you won't either. It's our legacy. It's SunTech Medical. ***It's The Difference In Clinical Grade.***
